IN A SNAPSHOT

- Used as foreigners in Egypt.
- Witnessed the birth of Isaac.
- Renounced the gods of their faith.

**God's Good Creation**

God's love is revealed in the way He has transformed empty darkness into a place full of life. He shows us how powerful, creative, and loving He is. We were instructed that God created the concept of the Sabbath day as a reminder to rest and reflect on the goodness of His creation. As a consequence, we could rest in the garden with Him forever.

**But...spoiler alert!** God did not give up on His creation. He had plans that would transform the earth and bring life back to the garden. He had a plan to save the world. He had a plan to save the world. He had a plan to save the world.
