Spiritual Game Plan

Millions of us love sports—playing, supporting, watching. But have you ever thought about how your love for sports connects with your love for Jesus?

This book will show you what the Bible says. You'll discover a more liberating approach than feeling a bit guilty, a deeper approach than seeing sports as only an evangelistic opportunity, and a better approach than not linking your faith and your love of sports at all.

Starting with asking why God created sports in the first place, *Spiritual Game Plan* explores how the gospel impacts and transforms the way we think and play. You'll discover how to enjoy sports even more as you let God shape your perspective, and you'll see how he can use your sports to grow and shape you as his follower.

For many of us, being in the great outdoors surrounded by the beauty of nature helps us to feel peaceful and connected to God.

Seth Lewis helps us to experience God and the beauty of creation in an even deeper way by giving us a biblical understanding of what God is saying to us through the world he's created for us. As we view the plants, the animals, the skies, the earth, the seas and everything else God has created through the lens of his word, we will experience heartfelt joy as we worship him for who he is and what he has made.

So take the time to slow down and enjoy the gift of God's world as you interpret it through the gift of God's word. These reflections can be used devotionally.
