## THE ISRAEL DECREE

Understanding God's Unbreakable  
Covenant with His People and Their Land

AMIR TSARFATI

*The Israel Decree* traces the legal and prophetic history of present-day Israel, showing its connection to the ancient nation, and equips all Christians to understand Israel's significance today and embrace their role in God's unfolding plan.

For centuries, questions have lingered both within and outside the church: Is modern Israel connected to the Israel of the Old Testament? Do God's past promises to Israel still apply now? And what does this mean for all Christians today? *The Israel Decree* provides compelling answers to these questions and more by meticulously tracing the historical, legal, and scriptural foundations of Israel's God-promised right to the land.

Leslie Gould

Gift shop manager Lois Yoder detests the shop's new Mennonite owner, Moses Lantz. As a distraction, she joins a birdwatchers' circle letter under a pen name, but unknown to her, Moses also joins under disguise. As their correspondence blossoms into a tender romance, can they overcome their animosity...

### Summary

**Leslie Gould delights in this sweet and humorous Amish romance reminiscent of *The Shop Around the Corner* and *You've Got Mail*.**

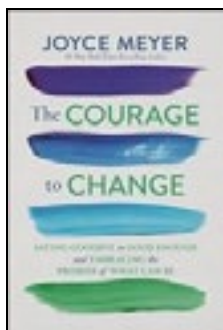

Lois Yoder has always found solace in the quiet life of Paradise, Pennsylvania, where she manages a gift shop that reflects her Amish community's simple values. Her tranquil world is upended when Moses Lantz, a former Amishman turned Mennonite and the man who broke her heart, buys the shop with ambitious plans to transform it into a tourist hub--a move that Lois fiercely opposes.

Seeking a distraction, Lois joins a bird watchers' circle letter under an alias. But unknown to her, Moses does the same at the urging of a friend. While their correspondence blossoms into a tender romance, the enmity between Lois and Moses in real life only intensifies. Can they overcome their animosity and embrace the love they've found through their letters, or will their stubborn hearts keep them apart forever?

*This heartwarming Amish romance includes themes of bird watching, correspondence by letters, enemies to lovers, and family secrets for readers of Beverly Lewis, Wanda E. Bruns...*

**Saying Goodbye to Good Enough and Embracing the Promise of What Can Be**

Joyce Meyer

### Summary

**Change is inevitable. And sometimes it's confusing and difficult, even when it's good. We can't keep change from coming, but we can allow it to transform us rather than derail us by facing it and embracing it through the lens of God's unchanging promises to us.**

Beloved Bible teacher and #1 *New York Times* bestselling author Joyce Meyer wants us to know that even when we feel like the ground beneath our feet is shifting, we can stand firm on the promise of God's Word that He will see us through. With her signature insight and timeless wisdom, Joyce shows us how to align our emotional reactions to changes with the truth of God's promise that He will work all changes for go...

## A Jesus-Shaped Life

**How Diving Deeper into Theology Can Transform Us and Our World with the Radical Kindness of God**  
 Lisa Harper

### Summary

When many of us hear the word theology, we conjure up visions of stuffy old guys in dark clothing, scratching a pen across paper (or maybe a quill across parchment!) and assume that it's not for us. But at its most basic, theology is just words (logos) about God (theos). Conversations, if you will, about the most important part of our lives—our good, loving, and grace-filled God.

With her signature style and humor, bestselling Bible teacher Lisa Harper invites you into this life-changing conversation. She makes theology fun, practical, and applicable, explaining how academic-sounding concepts—such as imago Dei, atonement, the Trinity, the transcendence and immanence of Christ, and much more—are actually daily realities that make an enormous difference in how we live our lives, how we treat other people, and how we understand our own relationship to our Creator.

If you want to grow closer to God and take a more active role in your community of faith, it's time to take your understanding of God to the next level with sound theology rooted in Scripture. Let Lisa be your (very) entertainin'...

She's been in vocational ministry for 30 years and has written many popular books and Bible study curriculums but says her greatest accomplishment by far is becoming mama to Missy, her adopted daughter from Haiti. They live on a hilly farmette south of Nashville, Tennessee, where they enjoy eating copious amounts of chips, queso, and guacamole.

## Capture the Moment

Suzanne Woods Fisher

Kate arrives in Grand Teton National Park on a mission to capture a one-in-a-million photo of the world's most famous bear. She's ready for adventure--isn't she? When a handsome park ranger offers to lend a hand, Kate is grateful, attracted--and conflicted. There's the small matter of the unresolved...

### Summary

**She's ready for adventure--isn't she?**

Kate Cunningham is facing the opportunity of a lifetime. As a zoo photographer, she's spent years photographing animals in carefully controlled environments, but now National Geographic has dangled an irresistible prize: If Kate can snag a unique photo of a legendary bear in Grand Teton National Park, they just might publish it. It's the kind of challenge Kate has been waiting for, and she's eager to prove herself in the wild.

With more enthusiasm than experience, Kate soon realizes that capturing an image of this bear isn't as simple as she hoped. Fortunately, she crosses paths with Grant Cooper, a seasonal park ranger who knows the terrain--and the bears--better than anyone. His tracking skills could be exactly what Kate needs to succeed, and it doesn't hurt that he's easy on the eyes. But they're not the only ones with an interest in the park's most famous bear. And his motives are far from innocent.
