Signature of Store Represen	tative:		
Signature of Account Execu	tive:		
To calculate amount	of free product:		
# of c	cards redeemed:	x \$5.00	(average card retail price)
Total Retail	of redeemed cards:	x 0.5 ased on 50%	
Store's Net cost	of redeemed cards*:		

*The Store's net cost on the 10th free card is subsidized with free product. The Store is given free cards at a retail value of what their approximate cost was, so that when the free cards sell at full retail, the cost of the free cards in recovered.

Example:	# of cards redeemed:	53
		x \$5.00
Total	Retail of redeemed cards:	= \$265.00
		x 0.5
Ne	t cost of redeemed cards:	= \$132.50
		x 0.5
	Actual credit received:	= \$66.25

Approximately \$132.50 retail of cards is given at no charge (100% discount) by crediting the cost against a recent card invoice.

Credit memo will be for 66.25 to reverse the billed amount on the 132.50 retail of cards.

Please email the completed form to <u>orderdesk@wordalive.ca</u> with a PDF copy of the redeemed cards. Suggested time frame of every three months for reimbursement orders to be sent.
