### Summary

**On a risky treasure hunt in the rugged wilderness, can love trump all odds?**

After years of solitude, Tilda Muirhead's life takes an unexpected twist when she accepts a teaching position at Two Harts Ranch following her cross-country pursuit of two brothers obsessed with a treasure map left by their grandfather. Tilda is now tasked with educating those mischievous MacKenzie boys, who are bent on remaining out west with the rest of their family until they find the hoped-for treasure. Then a man named Ben arrives, claiming to be her own long-lost brother. Raised as an orphan with no memory of her past, Tilda is both fascinated and wary of Ben's sudden interest in finding her.

When Ben's motives grow increasingly suspect, rancher Josh Hart suggests Tilda and the young MacKenzies set off on a quest with him that aims to protect Tilda while unearthing the map's secrets. As they explore the wilderness, Tilda becomes captivated by the history behind the map, though she doubts it leads to anything more than old artifacts. Yet danger looms ever closer, and Tilda and Josh must rely on faith and t...

## Of Silver and Secrets

Michelle Griep

In 1889 England, Eva Inman is left desperate for funds to care for her blind sister after their father's death. Upon unearthing an ancient silver ring, she reluctantly hires Bram Webb, a Roman archeology expert and former childhood friend, to excavate the land in pursuit of more relics. Will secrets...

### Summary

**Buried underneath are truths bent on keeping them apart. . . .**

In 1889 Victorian England, Eva Inman is haunted by guilt over her parents' deaths while struggling to care for her blind sister and manage her family's crumbling estate. With the tax deadline looming, Eva's situation looks dire until an ancient silver ring is unearthed on the property. Despite superstitions warning against disturbing the supposedly cursed acres, Eva's need for funds ignites her curiosity about the potential of finding more buried relics.

Cambridge professor Bram Webb must prove a legendary Christian Roman settlement exists, or he'll risk exposing his uncle's deteriorating memory and they'll both lose their positions. Then Eva steps into his office with the prospect of an archaeological dig that might lead to the very evidence Bram requires--provided he and Eva can set aside painful memories of a time they would rather forget. As the dig forces the two to confront their pasts, the work becomes fraught with challenges that threaten Eva's and Bram's hopes, as well as the growing attraction between them.

### Summary

**A haunting attack. A killer in the shadows. A protective love.**

Murder--that's what photographer Allie Jessup knows she witnessed as she departed her studio one evening. Waking with bruises on her neck and a foggy memory, she believes she survived an attack, but everyone seems to think she simply sustained a head injury from falling down the stairs outside her studio. Plagued by an undiagnosed health condition, she is torn between the haunting reality of what she may have seen and the possibility that her mind is playing tricks on her.

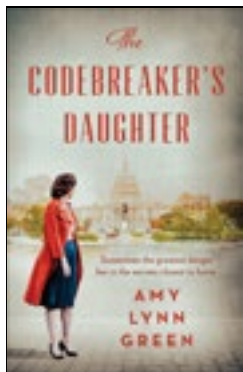

Without proof the other victim ever existed, Detective Eric Thornton can hardly declare the area a murder scene. Still, he adds Allie's report to his already full caseload. But when new evidence surfaces to support her claims, Eric must stay one step ahead of a ruthless killer and uncover the truth before the suspect closes in on Allie again.

### Summary

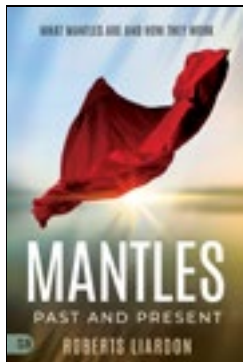

**"Readers will thrill in peering behind the curtain of US-based intelligence during the world wars."**--ERIKA ROBUCK, bestselling author

In the heart of the US capital, Dinah Kendall's role for the Office of Strategic Services isn't the thrilling espionage career she dreamed of. As Dinah navigates her duties, she uncovers a startling revelation: Her mother, Lillian, was once a codebreaker, cracking military ciphers during the Great War alongside some of the nation's most brilliant minds. ## Mantles Past and Present

### What Mantles Are and How They Work

Roberts Liardon

#### Summary

##### A Journey Into the World of Mantles

There is an emphasis in the Spirit regarding the subject of mantles in this end-time hour, and many believers in different parts of the Body of Christ are picking up on it. More and more are asking: "What is a mantle? How do they operate? Who gets a mantle, and who doesn't? Can a mantle be given away at a minister's discretion? Can I receive a mantle?"

Throughout the Church, we hear terms such as "mantles," "impartations," and "anointings" used freely, yet there often seems to be little clarity on what each term means and how they differ. Thankfully, as God's people, we have His Word to turn to for answers and the Spirit of Truth within "...who reveals the profound and hidden things..." (Dan. 2:22 NASB)!

In his book *Mantles Past and Present*, Roberts Liardon tackles this challenging subject, drawing on his more than 40 years of experience in ministering the Gospel, studying God's Word, and fulfilling the divine mandate Jesus gave him as a boy to study the lives of God's generals.

Roberts states, "...I present this book as my way to put a brick in the wall of..."

## The Lawyer and the Laundress

Christine Hill Suntz

For fans of clean and wholesome romance and historical romance who enjoy books by Julie Klassen and Laura Frantz.

IG (@christinehillsuntz): 1.3K

### Summary

**Lawyer James Kinney isn't looking for love, and laundress Sara O'Connor doesn't want to be found. When their paths cross in a British colony on the brink of rebellion, a marriage of convenience may be their best hope of survival.**

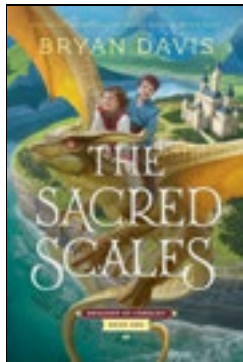

**Canada, 1837.** Widower James Kinney knows his precocious daughter, Evie, needs more than his lessons on law and logic, but Toronto offers few options. Classes with the neighbor children seem ideal until James discovers Evie is secretly spending her time with Sara O'Connor, a kind and mysteriously educated servant. For propriety's sake, James forbids their friendship. But then Evie falls victim to the illness ravaging the city, and James must call upon Sara's medical knowledge and her special bond with Evie to save his daughter's life.

When Sara's presence in his household threatens scandal, however, James offers an unexpected solution: become his wife, in name only, and help him raise Evie to be a proper young lady.

If Sara can ignore the sparks she feels when they're together, his logical proposal could keep her secret secure forever. But soon, the forces of re...

**A middle grade faith-building fantasy adventure from the bestselling *Dragons in Our Midst* story world.**

In King Arthur's Camelot where dragons are outlawed, a poor apprentice boy and a dragon-raised orphan girl unravel an evil plot to exterminate dragons from this world and the next.

Hawk spends his days trying to survive as a lowly apprentice in the harsh employ of Master Andrew—a sly shopkeeper making illegal bargains with dragons. But when Master Andrew is hired by Lady Morgan to cheat the dragon Cleftspear out of his promised gemstone payment, Hawk's faith in God spurs him to action.

Sabina hasn't had contact with humans in years, not since the kind-hearted dragon Legossi rescued her from the ruins of her burned village. But the forest is no place for a young girl to come of age, so Legossi agrees to have a knight take Sabina to Lady Morgan's estate. Yet Sabina quickly realizes Lady Morgan has a sinister scheme to wipe out dragons in this realm and beyond. Can Hawk and Sabina warn the dragons and foil Lady Morgan's plans before it's too late?

As the threat of eruption grows, former cop Cullen Landry refuses to leave his cabin in the evacuation area, which is why he's the only one left who can help Kit escape the crumpled cab of her truck. He doesn't want to get tangled up in the mystery of the beautiful woman with an abandoned infant, but when he sees the bullet hole in the windshield and the bloody handprint on the interior, he realizes that he's in this thing, like it or not.

When two armed men with ill intent approach, the race is on to stay alive, discover the truth, and find the baby's missing mother--all while a deadly mountain rains fire from above.
