

Wisconsin Office of the
COMMISSIONER OF INSURANCE
**MARKET REGULATION
AND ENFORCEMENT**

Tony Evers, Governor of Wisconsin
Nathan Houdek, Commissioner of Insurance

The Office of the Commissioner of Insurance (OCI) is moving to a new location on November 4, 2024.

Our new street address will be:

Office of the Commissioner of Insurance
101 E. Wilson St.
Madison, WI 53703

Ahead of our move, insurers, agents, and other licensees should review places they provide contact information for OCI to ensure that after November 4, 2024, our street address is updated. This may include policy forms, policyholder notices, public adjuster contracts, other documents, and website pages. Our P.O. Box address will not be affected.

Due to the move our agency's equipment, systems, and files may be temporarily inaccessible to staff around our moving date, but we will make every effort to manage requests, filings, and other contacts in a timely manner. We appreciate your patience during this time.

Thank you for your attention to this matter.
