WHY YOU'RE HERE

The Email Problem Hurting Your Growth

- 28% of email address' go bad every year
- Dirty data = lower deliverability, less revenue
- Most CRMs, including HubSpot, let bad emails in
- We're here to fix that, fast

zero bounce

WHAT BAD DATA DOES

Dirty Email Data = Lost Revenue

- High bounce rates → hurts sender reputation
- Poor segmentation → weak engagement
- CRM clutter → inefficient workflows
- Wasted ad spend and lost opportunities
