# The Most Expensive Call Is the One You Miss

30% of all inbound sales calls go unanswered

BEFORE

# Your Call Flow Today

**01**

A call comes in on your business number, the phone rings

**02**

Caller meets IVR → long wait times  
→ voicemails (overflow & after-hours)

**03**

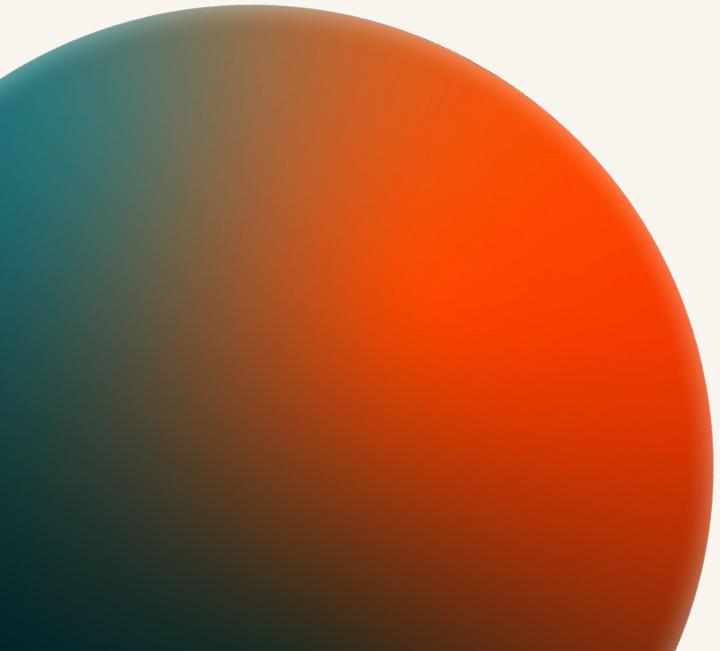

Your team calls back 12 hours later to meet a ghost → the lead is cold

**04**

Call notes are incomplete, and your CRM isn't always up-to-date

AFTER

## Your Call Flow with AI

**01**

Your AI Agent answers every call instantly, 24/7

**02**

Handles frequent queries and asks questions to qualify leads

**03**

Books meetings on your calendar and logs everything in HubSpot

**04**

Triggers real-time actions: warm call transfers, SMS follow-ups and more

# LIVE Demo: Call 1207-421-9915
