Hackney

Sofa collection

HAY has an extensive assortment of different sofas in a variety of designs that accommodate all kinds of spaces, styles and requirements. Available in a wealth of upholstery and colour options, our range covers all sofa needs – from simple and functional to voluminous and lounging – providing a comfortable central platform for living, working and socialising.

The collection includes two- and three-seater sofas like Arbour and Can, and flexible modular sofas, such as Quilton and Mags, which offer a versatile and module system with customisable options. All sofas are made in high-quality materials with a timeless design and durable construction, and are built to last for many years to come.

Mags Low Armrest Family

Mags

Designed with maximum comfort and minimum details, the Mags Sofa and Mags Low Armrest Sofa combine strong aesthetics with timelessness to create a HAY classic. Keeping superior comfort and quality in mind, both models are built using a solid construction with durable, high-density foam and interior padding for optimal longevity. The low frame and deep seats have a distinctly loungy feel, which is further reinforced in the Mags Low Armrest Sofa by the lower armrests that create a more open, welcoming space.

The wide range of functional modular units enable both series to be fully customised with chaise longue, corner modules or additional seats to suit any room or purpose, while the upholstery options enable each sofa to find its own personality.

Mags Soft

Rounded edges and soft cushions create a milder, relaxed tone with the Mags Soft Sofa. Optimal comfort and durability are ensured by the sofa's solid construction, which has been built using durable, high-density foam and covered with a duvet for extra softness. The low frame has a distinctly lounge feel, which is reinforced by the deep seats and results in an open, welcoming space.

The wide range of functional modular units mean the sofa can be fully customised with chaise longue, corner modules or additional seats to suit any room or purpose, while the numerous high quality upholstery options allow the sofa to find its own personality. The Mags Soft series also includes the Mags Soft Low Armrest model.

Quilton Duo Combination 19 Left | Atlas 881 & Flamiber Dark blue

Quilton

Described by the designers as a quilted landscape sofa system, Quilton serves as a central platform for living, working, socializing and relaxing. Offering a wide assortment of different modules, Doshi Levien's multi-functional sofa provides the flexibility of a modular system with generous dimensions and sculpted forms.

Its numerous upholstery choices include mono, duo, or with a black contrasting platform, with the finely-detailed quilted upholstery encapsulating the softness and volume of the foam and wadding seats and creating exceptional comfort. Quilton takes sofa design to a new level of versatility that makes it suitable for a wide range of domestic and public spaces.

Pandarine

Inga Sempé's Pandarine fuses the luxurious comfort of a bed with the versatility of a modular sofa in an elegant and versatile design. The armrests come either in a cylindrical form, or with a reclining design that can be adjusted individually in the same way as the metal-hinged backrests. This gives Pandarine the ability to transform into a unified, mattress-like surface where the backrests serve as huge, soft pillows.

Constructed using a combination of Nozag springs, foam, and wadding, Pandarine is designed to provide exceptional comfort in any number of sitting or lying positions. Available in two- and three-seater versions with options for additional chaise longues and corner modules, its range of textiles and configurations give it great flexibility for use in a variety of private and public contexts.

Arbour

Embodying the concept that design should follow construction, Andreas Engesvik and Daniel Rybakken's Arbour is assembled from separate components that have been independently produced for optimal comfort, quality, and efficiency. Developed to offer a compact and durable sofa with a sustainable profile, the Arbour Sofa features the Nordic Swan Ecolabel, with FSC-certified wood and water-based lacquered frame, and EU-Ecolabelled upholsteries for the Eco version.

The seat and cushions are made in carefully balanced proportions, with identical side cushions creating a sense of harmony and offering the opportunity for multiple comfortable sitting or lying positions, while the frame creates a strong yet elegant profile with an architectural quality. With its logical construction and uncluttered design language, Arbour fuses its distinctly Scandinavian aesthetics with high comfort and great durability. The Arbour family comprises a two- and three-seater sofa, and the more compact Arbour Club Sofa and Armchair.

Silhouette

GamFratesi's Silhouette Sofa series is characterised by the smooth curve of the sofa's back, which seamlessly combines a strong character with a simple, organic expression. With an angular front view and defining piping details, the sofa appears compact and economical with space, yet light and spacious and offers generous seating.

The family comprises sofas in different sizes and heights, with legs available in steel or solid wood and a number of selected textiles to choose from. The different configurations and strong structural language make the sofa a natural choice for defining space and creating intimacy in large and small areas in private and public contexts.
