Roc Bottomly

Roc Bottomly came to Christ as a college student at the Air Force Academy through the ministry of The Navigators. Since then, his passion has been following Jesus and fulfilling His commission to "Go... make disciples." After his years as an Air Force pilot, Roc graduated from Dallas Theological Seminary and has been the Lead Pastor of four churches over the past 36 years. He recently passed the reins as Lead Pastor of Our Lord's Community Church in Oklahoma City to focus on coaching pastors and discipling men... and leading study trips to Israel, something he and his wife Bev love to do because they have found these trips to be so life changing! Their message is simple and impassioned: "If you've never been, come on! You'll experience the Bible as the early disciples did - with all their senses!"
