Welcome to Greenfield Lake Amphitheater!

We are so excited to have you at our venue in the wonderfully charming city of Wilmington, NC. We have all sorts of things we love about this town, including the 1200 seat amphitheater right in the middle of one of the best parks we have. Some of the other things we love most about Wilmington are the river and various beaches, our busy and locally driven downtown community, a thriving film, art & music scene, and some of the best folks around.

In this guide, you'll find everything you need from fun things to do, where to explore, what to eat/drink, and all the things we can provide you with at the venue itself. Hope you have the best time in the town we love to call home!

If you need anything at all, please don't hesitate to reach out to any of the following:
