## WE'RE HISTORICAL!

Opened as the West Coast North Park in early 1929 by Fox West Coast Theatres, it was promoted by FOX as the first theatre in San Diego to be designed from the ground up for the exhibiting of sound, synchronized, and taking pictures.

The Observatory got it's name when it was acquired by SD Observatory LLC in 2015.

WE became part of the Live Nation family in late 2019!

### BALBOA PARK - FREE

The 1,200-acre historic park built at the center of San Diego, most of which was constructed for the 1915-16 Panama-California Exposition Fair. The many museums, cultural centers, restaurants, and musical venues are housed in some of the first flamboyant, Spanish-colonial style buildings built in the U.S. The historic speckles organ pavilion, Japanese garden, and Lily Pond are lovely locations for a scenic walk. Depending on the time of year, the park hosts a number of free events including an Earth Day celebration and December Nights Holiday Event.

### SAN DIEGO ZOO - PAID

Within the boundaries of Balboa Park is the famous, San Diego Zoo. The Elephant Odyssey Exhibit is world famous as the spacious engineering allows for close up views and interaction with the elephants as well as a lion couple, watch out, they spray! If you come out at the right time of day you may see a cheetah or two out walking amongst the humans, leashed of course! Tickets start at \$65 for adults.

### MORLEY FIELD - FREE

A recreational field only a three minute drive down the road that has disc golf, basketball, and tennis amenities. The price to play disc golf all day is \$5 with rental discs at \$2.50 each.
