Visiting Albuquerque allows you to experience the authentic Southwest. As one of the oldest cities in the United States, Albuquerque boasts a unique multicultural history and heritage. Native American, Hispanic & Latino cultural influences are a part of everyday life. You will always know you're someplace special, whether you're eating at one of our traditional New Mexican restaurants, shopping at one of the thousands of shops and galleries around town, enjoying our world-class visual and performing arts, or playing on the best golf courses in the Southwest. Nowhere is the confluence of past and present more dramatic than here in Albuquerque, where the modern city skyline is set against a backdrop of the stunning Sandia Mountains and an endless, timeless blue sky.

# DOWN TO EARTH

We love the environment as much as we love live music! Help us preserve the live music experience for generations to come.

## HOW LN VENUES SUPPORT OUR ENVIRONMENT AND COMMUNITY

- ★ **Plant-based menu options:** We are proud to serve the plant-based Impossible Burger and Impossible Cheesesteak in our concession stands.
- ★ **Humanely raised meats:** Our burgers, hot dogs, and chicken tenders come from certified humanely raised animals.
- ★ **Single use plastic free:** In 2018 we stopped sucking. You won't find plastic straws here! In 2021, we ended the sale of single use plastic water bottles and now murder our thirst with Liquid Death aluminum canned water.

## WHAT YOU'LL SEE BACKSTAGE AT ISLETA AMPHITHEATER

- ★ **Compost:** Were your eyes bigger than your stomach? Don't fret! Toss your leftovers in the compost bins. We'll take care of the rest!
- ★ **Garden:** Our garden is about as local as it gets! Grab some fresh herbs or a ripe tomato for your sandwich.

## HERE'S HOW YOU CAN PARTICIPATE

- ★ **Post and share sustainability messages** with your fans via social media!
- ★ **Give your bottles and cans a 2nd chance** by recycling them in the provided bins.
- ★ **BYOBottle** and fill up at the water refill stations located throughout backstage.
- ★ **Show off** your reusable bottle or cup on stage with you.
- ★ **Avoid Solo Cups** because they are made from the same material as Styrofoam, which is very difficult to recycle. Instead **request compostable or reusable cups**.
- ★ **Request reusable or compostable** utensils and plates backstage.
- ★ **Lots of leftover food?** We can donate it for you! If interested, contact [GreenNation@livenation.com](mailto:GreenNation@livenation.com).
